

# International Day at Queensmill School

Friday 21<sup>st</sup> October 2022

After an action packed first half-term back after the Summer Holiday's, we decided to see in the half-term break with our very first Queensmill International Day.

The day was a huge success with staff and students sharing their culture and heritage through food, clothing and music.

As you can imagine, the day was quite the change to routine for our young people but they managed incredibly well and enjoyed exploring different countries and experiencing difference cultures throughout the day.

A huge thank you to all parents/carers who sent in food; I know that staff and student taste buds were exceedingly grateful!

This half-term, we will be celebrating the FIFA World Cup towards the end of November before a number of Christmas focused celebrations to round off the calendar year.

We look forward to sharing these with you.

All the best,

The Celebration Squad
